Print & E-Book: <978-3-428-84837-8> € 107,90

Since 1914, »Peace through Law« is the guiding motto of the world's oldest university institute for public international law, the Walther Schücking Institute for International Law at Kiel University. Marking the occasion of its 100th anniversary, an international conference assessed international law's contribution to the maintenance and restoration of global peace and security. The present volume assembles the conference papers which address questions of urgent topicality.

### Table of Contents

#### Part I: 100 Years of Public International Law

**Knut Ipsen:** 100 Years of Public International Law in Kiel: The History of the Walther Schücking Institute
